

1/4 Horizontal

Safe Area

10.3194 in X 2.7778 in

Bleed 0.20 in

The diagram consists of a dark teal rectangular area centered on a red background. The teal area contains white text and a white arrow. The arrow originates from the left edge of the teal area and points towards the top-left corner of the teal area. The text is arranged vertically in the center of the teal area: a large title, a subtitle, a dimension, and a bleed specification.
